Hello, Folks,

And how be ya tonight? Got a letter from Sister yesterday, telling of the family reunion, sorta, that will take place in June when Brother has his leave! - Sure wish that I could join you, but don't you think you could manage to have another one in a month or so? - Think maybe I could make that one! - Was also glad to learn that he didn't have to report for his draft physical on his second notice. Maybe he will get by, this time, for good.

You also mentioned my hay fever - well, I was mistaken. - It was only a cold apparently, for it disappeared readily and only upon occasions of overheating and the rapidly cooling off does it come back! I'm lucky, I guess.

I'll probably go out again tomorrow so let's keep 'em crossed.
Lots of love,
Frank
